Kidz Klozet

Jesus said "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these." Matthew 19:14

Who we are?

Kids Klozet is one of three free clothing ministries at Elim Church. Our three areas of focus are to help:

- Low income families make ends meet through free children's clothing in the Kidz Klozet
- Low income women returning to work or struggling to make ends meet in our women's closet, The Unlimited
- People experiencing homelessness in our ministry called Hope Avenue.

We believe that by helping to provide free clothing for people in low income and distressed financial circumstances we can help make a difference in their lives.

Why is this kid's ministry so important?

“More than 16 million children in the United States – 22% of all children – live in families with incomes below the Federal poverty level – \$23,550 a year for a family of four. Research shows that, on average, families need an income of about twice that level to cover basic expenses. Using this standard, 45% of children live in low-income families.

Most of these children have parents who work, but low wages and unstable employment leave their families struggling to make ends meet.”
