Dear Paul,

I'm thrilled to share an update on the World Relief Ukraine Fund. All around the country, Converge churches and donors have given to-date almost half a million dollars. These funds are being used: in relief centers, helping the Baptist Union in Ukraine, refugee transportation efforts, and in Ukrainian churches that are linked to our Converge churches. [Watch](#) how these funds have directly impacted Vasily and Alla Furta.

CNC churches, thank you so much for modeling one of our core values - Bold Generosity. [Learn](#)

If you or your church desire to be a part of God's unfolding story of potential next steps, a "[Ukraine Thought Leaders Meeting](#)" will be hosted by Bethel University in conjunction with Converge North Central Wednesday, May 11 at 2 pm. If you and your church want to be a part of that gathering, indicate [your interest here](#).

Let's keep working together to advance God's Kingdom.

Grateful for your generosity,

Mark Bjorlo

Regional President
